

INTERNATIONAL CONFERENCE

GROUNDWATER, KEY TO THE SUSTAINABLE DEVELOPMENT GOALS

PARIS - May 18 -20, 2022

## Oral communication

Your abstract of a paper is accepted for **oral presentation** by the Scientific Committee. To prepare your presentation at the Conference, please refer to the instructions below.

### Schedules and locations

The time of your intervention is indicated on the general program of the congress on the website <http://gw-sdg2022.fr/index.php/en/> on the page "PROGRAM".

### Equipment

Your presentation will be handed in on the day of the congress; a preview room is available for this purpose.

These presentations will then be available on the CFH website for free access if you have given permission.

The rooms are equipped with a PC and a video projector.

In order to avoid last minute technical problems, please bring a copy of your presentation on a second USB stick and ensure that it is set up 15 minutes before the start of your session.

Thanks for sending your PowerPoint presentation at [gw-sdg2022@cborg.fr](mailto:gw-sdg2022@cborg.fr); **before 13<sup>th</sup> of May 2022**

If not done yet, we ask you to pay the conference fee before April 20<sup>th</sup>, or contact us if you face any difficulty. If we don't receive your payment or any information from you, your oral slot will be allocated to another participant.

### Format

Here are some instructions for making your presentation:

- use PowerPoint files (.pptx);
- Do not use external videos;
- limit your presentation boards (12);
- do not use automatic timing.

### Duration of the communication

The duration of the communication is 10 min + 5 min for questions/answers from the floor.

For the good organization of the session, no overtime will be accepted.

Please check in advance that your presentation does not exceed the time limit.
